THE FOURTH ANNUAL DRAMA FESTIVAL

MAY 15th—20th, 1950

The aim of the Harrow Theatre Group, now four years old, is the encouragement and development of amateur drama in Harrow.

One of the main functions of the Group is the organisation of the annual drama festival. The other is the publication of a monthly bulletin, "Limelight" which keeps members up to date with the Group's activities and those of the affiliated societies. In particular, it contains criticisms of plays presented by them. During the past year it has been the means of the exchange of views on the best way in which the amateur dramatic societies of Harrow can contribute towards any municipal entertainment scheme which may be sponsored by the Harrow Urban District Council.

In connection with the powers given to local authorities under the Local Government Act of 1948 and the forthcoming Festival of Britain in 1951, members of the Group have given their support to a campaign for the provision of a suitable hall or theatre.
