## *MEASURE FOR MEASURE*

by William Shakespeare

The Duke of Vienna disappears in mysterious circumstances, leaving his puritanical deputy with instructions to clean up the corruption in the City. The deputy sentences a young man, Claudio, to death for fornication, but when Claudio's sister pleads for her brother's life.....

Through a powerful mixture of satire, comedy and near tragedy, Shakespeare explores the nature of power, justice and sexual morality in a play as relevant today as it was in 1604.
