ANTIGONE

The legend of Antigone, daughter of Oedipus from his tragic marriage with his mother, has fascinated audiences since the 5th Century B.C.

In the shadow of their father's curse, Antigone's brothers have died in revolt against her uncle, Creon, ruler of Thebes. It is politically expedient to decree that one corpse shall be denied the rites of burial. Antigone rebels, passionately upholding the virtue and duty of compassion. But the Dragon of power must be fed and Creon cannot reprieve Antigone nor prevent his son, Haemon, choosing to die with her.

In a short prologue to the play, the tragedy of Oedipus ends and the wheel begins to turn for Antigone. It turns in Jean Anouilh's classic play dressed for our age, but the old threads of the Fates still unwind and young women of today will know the pattern well.

	Thursday	Friday	Saturday
SEATS REQUIRED	£2.00	£2.50	£2.50

Special concessions for group bookings.

TO BOX OFFICE :-

Cash/cheque payable to 'PROSCENIUM' for £..... enclosed, together with stamped addressed envelope.
