# About This Production

Are you ever too old for love?

The medical head of a sanatorium confronts an extraordinary patient, following complaints from other patients of her habit of reciting poetry in the middle of the night and singing at dawn. Gradually their mutual interests deepen into lasting affection.

Proscenium presents an Olivier award-nominated comedy; warm, gentle and guaranteed to lift the spirits.

## About Proscenium

Proscenium was founded in 1924. Since then, our aim has been to present classic and contemporary plays to as wide an audience as possible.
