About This Production

Serge has bought a modern painting for a huge sum of money. Marc hates it and cannot believe his friend could possibly want such a work. Yvan attempts, unsuccessfully, to placate both sides.

Proscenium presents Yasmina Reza's dazzling comedy, which received the Moliere Award for Best Play when it first opened in 1994. It ran for 18 months at the Comedie des Champs-Elysees, Paris, before the English translation by Christopher Hampton opened at Wyndham's Theatre in London in October 1996. It played there for 8 years straight, and became an international hit.

The ticket price includes a programme, available on your way in.
